A perfect fit for the younger or smaller rider

When our customers speak, we listen - and that's why the SnoScoot concept was born. Designed to provide fast, fun and affordable snowmobile adventures for people of a younger age (8+) or of a smaller stature, this remarkable machine is a worthy testament to our experience in over 50 years of building the world's most advanced snowmobiles. Its size and speed apart, the SnoScoot, from engine and suspension to handling and features - is a 100% fun-packed snowmobile!

- Smooth quiet engine - Yamaha 200cc 4-stroke OHV
- Tough, twin-tube hydraulic shock rear suspension
- Hydraulic disc brake and centrifugal CVT clutch
- Electric start system - easy for little people
- Grippy and hard-wearing Camso® Cobra™ track
- Heated hand warmers for having fun in comfort
- Yamaha quality and DNA all through - like Dad's!
- NEW Mikuni CV carburettor for reliable starting
- Great riding position - for balance and control
- Double wishbone front suspension and plastic skis
